

WATERPROOFING

Hidrofa 500

WATER-REPELLENT FOR POROUS SURFACES

Impregnating and consolidating product, specially formulated for protection and waterproofing against oils, dirt, water, and spills of proteins and lipids (juices, vinegar, soft drinks, etc.). It does not alter the chromatic appearance: it does not form a film.

APPLICATIONS

Polished marble and granite: countertops, tables, bars

Terracotta, machined stoneware, and terracotta floors

Bathroom surfaces

FEATURES

- 01 Does not form a film: maintains the natural appearance
- 02 Recommended for countertops, tables, bathrooms, and polished marble or granite bars
- 03 Suitable for terracotta, machined stoneware, and terracotta
- 04 Quick application (walkable after 5-6 hours)
- 05 Resistant to the most common detergents
- 06 Maximum protection after 24-36 hours

DIRECTIONS FOR USE

Apply with a roller and brush or by spraying, until fully impregnated, on previously washed and dry substrates. Do not exceed the amount. Pure product. With other materials, it is advisable to carry out preliminary tests for color change.

TECHNICAL DATA

Color	Yellowish
Appearance	Foaming liquid
Density	0.85 g/ml ± 0.1 at 20 °C
Viscosity	2.5 cP at 17 °C
Dry residue	2.5 %
Flash point	< 21 °C
Minimum application temperature	6 °C
Yield	0.070–0.150 L/m ²
Impregnation system	Brush, roller, or airless spray gun
Cleaning of tools	Acetates
Surface waterproofing	100 %

PRODUCT DATA

COMPOSITION

Polymers in solution.

COVERAGE

Approx. 6 m²/L, depending on the substrate.

SAFETY

Do not ingest. Easily flammable. Irritates the eyes. Harmful if swallowed; may cause lung damage.

- R11** Easily flammable.
- R36** Irritates the eyes.
- R65** Harmful: if swallowed, it may cause lung damage.
- R66** Repeated exposure may cause dryness or cracking of the skin.
- R67** Inhalation of vapors may cause drowsiness and dizziness.
- S2** Keep out of the reach of children.
- S7/9** Keep container tightly closed and in a well-ventilated place.
- S16** Protect from ignition sources. No smoking.
- S23** Do not breathe vapors.
- S26** In case of contact with eyes, rinse immediately and abundantly with water and seek medical advice.
