

WATERPROOFING

# Hidrofa

## WATER REPELLENT FOR VERTICAL SURFACES

Water-based water repellent for treatments of concrete, stone, and other construction materials. Reduces water absorption, prevents the appearance of efflorescence, and improves weather resistance. Suitable for surfaces that will be painted later.

### APPLICATIONS

Concrete, mineral aggregates, and natural stones

Treatment of surfaces that will be painted

### FEATURES

- 01 Prevents water passage without affecting breathability
- 02 Improves weather resistance
- 03 Increases cohesion, adhesion, and water resistance
- 04 Compatible with subsequent paints

### DIRECTIONS FOR USE

The substrate must be dry and clean. Apply the product undiluted using a brush, roller, or sprayer, in a single coat from bottom to top. Allow the surface to dry for a minimum of 24 hours. Do not apply at temperatures below 0 °C. Do not apply on surfaces sensitive to alkaline pH (aluminum, zinc, etc.). Conduct preliminary tests to adjust the dosage; excess may cause white stains.

## TECHNICAL DATA

Aspect	Transparent liquid
Color	Colorless
Viscosity	6 ± 1
Density	1.01 ± 0.01
Solubility in water	Soluble
Active substance	2.5 %
Pure pH	12 ± 1

## PRODUCT DATA

### COVERAGE

Rough exposed work: approx. 3 m<sup>2</sup>/L.

Fine exposed work: approx. 4 m<sup>2</sup>/L.

Concrete block: approx. 4 m<sup>2</sup>/L.

Mortar: approx. 5 m<sup>2</sup>/L.

## SAFETY

The product is alkaline; avoid contact with reactive materials. In case of splashes on the skin, wash with plenty of water. In case of splashes in the eyes, rinse immediately and abundantly with water and seek medical attention. Always apply as a liquid, never as vapor or mist.

**R36/38** Irritates the eyes and skin.

**S20** Do not eat or drink during use.

**S36/37/39** Wear protective goggles and gloves.

**S26** In case of contact with eyes, rinse immediately with plenty of water and seek medical attention.

**S46** In case of ingestion, seek medical attention immediately and show the label or container.

**S2** Keep out of the reach of children.

## NOTES

*In case of accidental ingestion, call the Toxicological Information Service: 915 62 04 20.*
