

CLEANERS

# Aquanet Mano

## PROFESSIONAL HAND GEL WITH MICROPARTICLES

Professional hand cleaner gel with soft microparticles that act deeply without harming the skin. Formulated to remove grease, oils, construction debris, and difficult dirt typical of construction and maintenance work.

### APPLICATIONS

Hand hygiene for construction personnel

Workshops and industrial environments

### FEATURES

- 01 Soft exfoliating microparticles
- 02 Deep cleaning while respecting the skin
- 03 Suitable for intensive use on site and in workshops

### DIRECTIONS FOR USE

Apply a small amount to dry hands and rub until dirt is dissolved. Rinse with plenty of water.

### SAFETY

External use. Do not ingest.
